

APHIS-Approved Laboratories
Equine Piroplasmiasis

Only laboratories that are currently approved as part of the National Animal Health Laboratory Network (NAHLN) are eligible for consideration. Approval will authorize non-APHIS laboratories to conduct the equine piroplasmiasis cELISA on nonclinical equids for inter- or intrastate movement and for export of equids to countries that do not require NVSL to conduct the testing and do not require any test other than the cELISA. (VS Guidance Document 15200.1)
